GENERAL TERMS

All damages will be determined upon inspection by Nature Coast Boat Rental.

Charges may include repair costs, replacement costs, labor, administrative fees, towing/retrieval fees, and loss of use.

Any damage resulting from negligence includes, but is not limited to:

- **Operation in restricted areas (including Salt River and beyond scallop grounds)**
- **Operation in shallow water resulting in propeller or lower unit damage**
- **Towing or pushing another vessel**
- **Operation under the influence of alcohol or drugs**
- **Failure to follow operational or safety instructions**

Downtime fees will be applied for each day the vessel is out of service until it is fully repaired, operational, and returned to rental availability.

If the cost of repair exceeds the listed amount, actual repair or replacement cost will be charged. Nature Coast Boat Rental reserves the right to determine whether equipment will be repaired or replaced.

CUSTOMER ACKNOWLEDGMENT

I have read the above prices and understand what charges will be applied to me due to negligence or error by me or anyone in my party.

Upon return of rental equipment, I acknowledge that an inspection will be conducted by the staff at Nature Coast Boat Rental, to determine whether any damages or repairs will be applied.

I agree that repairs will be completed by a mechanic or vendor selected by Nature Coast Boat Rental.

I authorize Nature Coast Boat Rental to charge the credit card on file for any damages, fees, or charges incurred under this agreement.

I further agree that if any damages or repair charges are applied:

ALL SALES (RENTALS, DAMAGES, OR REPAIRS) ARE FINAL AND NO REFUNDS WILL BE ISSUED.
